

Message from the Youth Steering Committee TOKYO GREAT SANTA RUN 2018

Christmas- It's the most wonderful time of the year!
It is a special day that brings joy to children around the globe.

Tokyo Great Santa Run is all about sharing holiday spirit with everyone.

With the help of Santa, children share joy and the spirit of kindness with other children.

Children tell their hopes to Santa, and the Santas run with those children in their thoughts. By doing so they spread the holiday spirit to children everywhere.

In other words, Santa' s role as a messenger is very important to make Tokyo Great Santa Run a success.

We would love to deliver the holiday spirit to Japanese children in hospitals and to children who need medical support around the world.

Christmas is just one day, but it is the day that we can make precious memories that last a lifetime. Santa Run will surely become a lasting memory and connection with lovely people.

Anyone and everyone can be a Santa.

The majority of participants are youth who were children just a short while ago.

They run as Santa while thinking of children who cope with illness, and most importantly, smile with children.

We would love to share that kind of Christmas with as many people as we can!

Join us, and be a Santa to make this Christmas something special!
